Support will be needed from 7:30AM to 12:30PM. Bill and I will be on premise from 7:30-12:30. I will need four volunteers from 7:30 (Setup)-10:00 and four volunteers from 10:00-12:30 (Breakdown) The two hour shifts were suggested by our volunteers last year. Of course, if you want to do a four hour shift....you are most welcome. Tried to keep the dates away from the Torney...since we will all be working with Gerry that day.

**DRESS CODES:** No short shorts or halter tops for the ladies at all the courses. No Deniums for the men at Dutchess

You can e mail me, or wait until the next meeting for the sign up sheet.

Bill E....I would like to pick up the working materials at the next meeting. We will only have one table at each course this year.

Thank you everyone for your support.
